

Share the love! Make a Kew Neighbourhood Association Nutcracker Soldier

- ♥ Do you know a neighbour who might appreciate a Christmas soldier? Make a socially distanced delivery to them!
- ♥ We are looking to collect over 200 soldiers to take to our clients in the run up to Christmas. Please drop your completed soldiers by **16 December** to **The Shoe Station**, Station Parade, Kew.
- ♥ Unable to make a drop off? Email us by Monday 14 December and we can arrange a collection.
- ♥ Can't bear to be parted? Why not display your soldier where they'll be seen by your neighbours?
- ♥ Send us a photo of your KNA soldier - making it, giving it or delivering it to The Shoe Station on social media @knewneighbours on Facebook, Instagram or Twitter or by emailing vicky.griffin@kna.org.uk

Instructions

Before you start:

Sign your name on the stand to let your recipient know who made their soldier and that it's sent with love. Our greeting, contact details and information about our charity is already printed on the box-stand.

1. **Cut** around the solid outline of your soldier and stand.
2. **Fold** the dashed line to create the stand.
3. **Stick** the tabs to secure the box. Add your own embellishments to him/her if you want to, it is Christmas!

Can we help you? Can you help us? Kew Neighbourhood Association connects our DBS and reference checked volunteers with their neighbours in Kew to provide free practical and companionship support throughout the year.
